**Notes:**

1. Single occupancy vehicle and motorcycle permits include a gratis U-PASS. Holders of these permits who separately receive a fully subsidized U-PASS will not receive a second U-PASS.
2. Carpool permits include a gratis U-PASS for up to 3 people. A carpool member who separately receives a fully subsidized U-PASS will not receive a second U-PASS.
3. The former two-tiered pricing for PPUP is going away due to a product overhaul. Instead of one daily rate if used 4 times or less per pay period and another daily rate if used 5 times or more, all PPUP holders will pay the same daily rate of \$8.40.
4. Individual commuter tickets are priced to match the daily PPUP rate. As the lower PPUP rate is going away, ICT rates will now match the same daily rate of \$8.40.
5. The former two-tiered pricing for impromptu carpools is going away due to a product overhaul. All impromptu carpools of 2 or more people will pay the same rate, so long as each person in the car has a valid U-PASS. A fully subsidized U-PASS qualifies for this.
6. UW retirees who have returned to work at the UW part time (40% FTE or less) are eligible to buy a discounted single-occupancy vehicle permit.
7. The daily maximum rate for E8, N4, N20, N21 and W27 will be \$17. The other lots listed do not have a daily maximum rate.
8. Football parking rates are set by UW Athletics and are not being raised in 2019.
9. Department products must be ordered with a UW budget number. Departments may also choose to pay for a Universal designator or an annual reserved space at the same rates listed in the faculty & staff section.
