Notes:

1. Single occupancy vehicle and motorcycle permits include a gratis U-PASS. Holders of these permits who separately receive a fully subsidized U-PASS will not receive a second U-PASS.
2. Carpool permits include a gratis U-PASS for up to 3 people. A carpool member who separately receives a fully subsidized U-PASS will not receive a second U-PASS.
3. The former two-tiered pricing for PPUP is going away due to new software being implemented. Instead of one daily rate if used 4 times or less per pay period and another daily rate if used 5 times or more, all PPUP holders will pay the same daily rate.
4. Individual commuter tickets are priced to match the daily PPUP rate. As the lower PPUP rate is going away, ICT rates will now match the standard daily rate. This will result in a one-time increase of 38%.
5. The former two-tiered pricing for impromptu carpools is going away due to new software being implemented. All impromptu carpools of 2 or more people will pay the same rate, so long as each person in the car has a valid U-PASS. A fully subsidized U-PASS qualifies for this.
6. UW retirees who have returned to work at the UW part time (40% FTE or less) are eligible to buy a discounted single-occupancy vehicle permit.
7. E8, N4, N20, N21 and W27 have a current daily maximum rate of \$15, which will go up to \$17. The other lots listed do not have a daily maximum rate.
8. Football parking rates are set by UW Athletics and are not being raised in 2019.
9. Department products must be ordered with a UW budget number. Departments may also choose to pay for a Universal designator or an annual reserved space at the same rates listed in the faculty & staff section.
