UW Retiree Motorcycle Permits

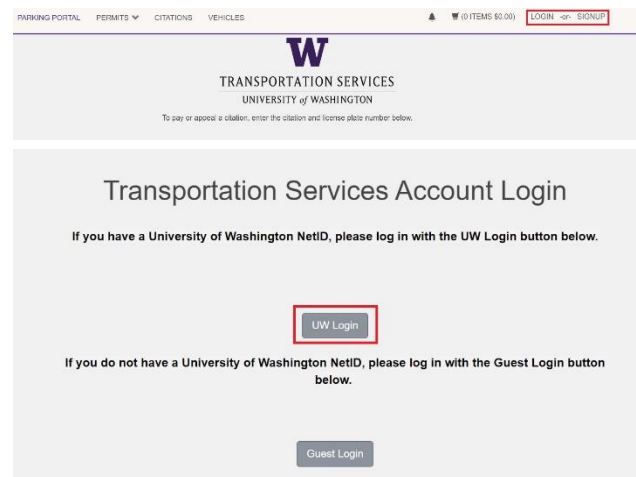

Complimentary motorcycle parking is available to employees who have retired from the University and their spouses. Retirees must obtain a permit each time they park on campus, either by reserving one online or by stopping at a gatehouse when entering campus. UW retirees who have returned to work must pay for work-related parking. More details on eligibility are [online](#).

This permit is valid **only** in designated motorcycle stalls in campus lots. If you wish to park in a regular vehicle stall, you must reserve a UW Retiree permit.

Step 1

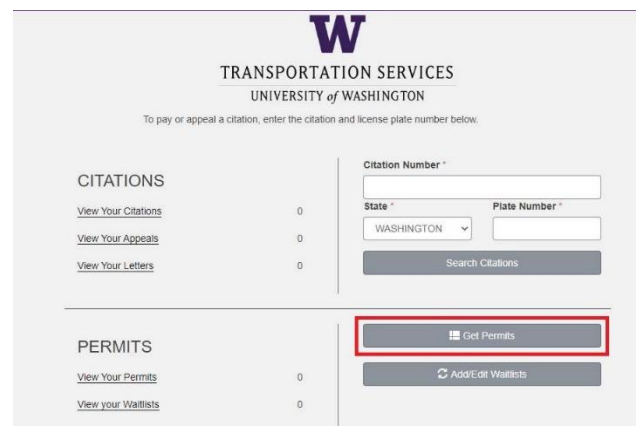

Log into your account on the online customer portal using your UW NetID.

Spouses will need to have their permits reserved by the UW Retiree on the customer portal.

Step 2

Click **Get Permits** in the Permits section of your account dashboard.

Step 3

Select the permit type RETIREE MOTORCYCLE / Daily.

Review Transportation Services' policies and confirm your review of the policies before clicking **Next**.

Please review the Transportation Services policies before proceeding: <https://transportation.uw.edu/policies>

I agree that I have reviewed and will abide by all Transportation Services policies. I understand that my permit may be revoked for violating the policies.
